Cannabis is a Schedule 1 Controlled Substance

According to Federal law, it is unlawful to possess cannabis. As a practical matter, this is largely a restriction on your ability to legally possess cannabis when you cross any state line or get on any airplane, no matter your destination.

Compassionate Use of Medical Cannabis Pilot Program Act

The Compassionate Use of Medical Cannabis Pilot Program Act places important restrictions on where and when NOT to medicate with Cannabis and on your legal responsibilities as a medical cannabis user. A “public place” does not include a private residence unless the private residence is used to provide licensed child care, foster care, or other similar social service care on the premises. For purposes of this subsection, a “public place” does not include a health care facility. For purposes of this Section, a “health care facility” includes, but is not limited to, hospitals, nursing homes, hospice care centers, and long-term care facilities;
